JHB/VT/32772

Dear Beverly

PM 1455 EPO
Our File: 32772

I enclose the European search report issued in this case together with a copy of the front page of the cited reference, merely for the purposes of identification.

Presumably the claims of this application are already distinguished from your own earlier case. If for any reason you wish make a voluntary amendment of the claims, the EPO will admit amendment after the search report is issued.

Although this application was filed on your instructions, I am sending a copy of this letter and the search report to Jeff Ingerman because I see that he is the partner in Fish & Neave who has been involved in this work and will presumably wish to know in connection with the US application what art has been cited in the EPO.

Yours sincerely

J. H. Bass
